Garden Party

Cultivate a potter's paradise with home accents made to spruce-up green spaces

WRITTEN BY JENN THORNTON

GARDEN OASIS

Taking its cues from fine latticework and French gardens, the **Caroline Potting Bench** from Frontgate is crafted from power-coated cast aluminum, making it ideal for the greenhouse or patio. Along with a generous work surface is a bright-green hue. \$2,999, [Frontgate.com](#)

TRUE BLUE

The always whimsical Jonathan Adler gives green thumbs a new shade to envy with his **Blue Okura Planter**—fine stoneware also available in summery orange and yellow iterations for a go-bold garden environment. \$895, [JonathanAdler.com](#)

SOME LIKE IT

Bound teak planks and a modern look give the **Petra Candle** by Porta Forma its glow. Its contemporary shape and stainless steel cone candleholder conversation will spark.

IN THE WINGS

From Lulu & Georgia, the **Winged Fancy Pillow** in a mod color mix of cerulean and chartreuse positively takes flight when resting on a sun lounger or glamming-up a garden bench. \$74 (set of two), [LuluandGeorgia.com](#)

ACCENT

BASKET CASE

Take your next meal outdoors with the help of *The Picnic: Recipes and Inspiration from Basket to Blanket*, a new book featuring all the elements one needs to up the ante on al fresco fare for a gourmet gathering on the green. \$14, [Amazon.com](#)

LOUNGE ACT

A streamlined silhouette in neutral gray gives the **Summit Modern Lounger** by Brian Kane a chic but discreet look for sunning or reading in the glories of the modern garden. Price Upon Request, [SummitFurniture.com](#)
