ROYAL BOTANIA

Vigor

Vigor combines modern simplicity with the timeless appeal of wood, creating a collection that will not date. A visual trademark comes in the form of the dovetail joint, with rough teak and mahogany top beams jointed to aluminium base frames. The Vigor Modular Lounge is comprised of low base units, providing a platform for customisation with cushions, back and side rests. The aluminium base is available in the original white, plus black and sand finishes.

SUMMIT FURNITURE

Linley Additions

Phase II of the Linley for Summit collection has been revealed, including an adjustable chaise longue, a dining side chair and table. Made from the finest plantation-grown teak, a sustainable resource and Summit hallmark, the collection illustrates the ongoing synergy between British design house Linley and Summit. The company's track record of collaborations with distinguished American and European designers to create handcrafted furniture has resulted in award-winning designs.

TUUCI

Dual Cantilever Classic

The Plantation Max Dual Cantilever Classic is art and engineering, resulting in a double parasol providing shade from one unit. Featuring a 4:1 tandem-retrieving crank system, the Dual Cantilever is simple to operate. Its solo crank gently glides open both shades, offering a clear passage and uninterrupted ambience. It is designed with an ultra strong aluminium-milled fulcrum and automatic telescoping mast to allow the canopy to close effortlessly.

TRIBU

Tosca

The Tosca collection is a result of a collaboration with Italian designer Monica Armani, characterised by soft, curved design and oversized braiding. Simultaneously warm and inviting, stylish and intriguing, the subdued natural colours emphasise the feeling of discreet luxury. The collection consists of a clubchair, sofas, daybed, lounger, coffee tables, armchair and dining table with an oval, ceramic top.
