Brown Jordan's Luna chaise, created with celebrated designer Michael Berman, is a modern spin on classic glamour. Its sleek frame is adjustable, and cushions are available in a range of fabrics and colors. *Through: Patio World, San Rafael, 415-455-8054, patioworld.net, brownjordan.com.*

A handsome woven gray seat and polished marine-grade stainless steel give an urban look to the MC107 chaise from the Summit Modern collection. *SFDC, 415-621-1638, summitfurniture.com.*

Designed by Levine for L... Echo chaise features an adjustable back and a striking geometric form. *Through: Hughes, SFDC, 6883, desousabry, linkout...*

La Grande Motte Mesh chaise and ottoman—Francois Azambourg's contemporary designs for Oxyo—are crafted from powder-coated steel and can be finished in a choice of three whimsical hues as well as black or white. *Through: The Future Perfect, 415-932-6508, thefutureperfect.com.*

The Harbor chaise's curved back creates a personal oasis in any outdoor space. Designed by Barbara Berry for McGuire, its basket weaving is hand-wrapped around a powder-coated aluminum frame. *SFDC, 415-986-0812, mcguirefurniture.com.*
