# BRIDGE FOR DESIGN

A hammock with a striped orange and white fabric is strung between trees. It is filled with several patterned cushions, including one with a red floral design and another with a white and brown geometric pattern. The hammock has large, dark brown tassels hanging from its sides. The background is a lush garden with green foliage, pink flowers, and a blue sky with distant mountains.

THE INTERNATIONAL RESOURCE FOR INTERIOR DESIGN

# OUTDOORS

**Terra Furniture** has introduced a new transitional deep seating collection. The new Matina outdoor collection from Terra Furniture is a transitional deep seating collection that is versatile, functional and fun. The Matina is constructed with a powder coated aluminium frame and resin weave which is available in 4 styles and 16 colours. The Oktav corner lounge combination by luxury outdoor furniture designers, **Garpa** provides ample space for relaxing with friends and family. The matching table works both as a centerpiece or side table. T: +44 (0)123 748 6400 | [www.garpa.co.uk](http://www.garpa.co.uk)

**Tribu**, one of the world leaders in exclusive, high-end outdoor furniture has launched its new range, Tosca. Designed by Monica Armani, the new collection features rounded forms, tapered legs and an elegant seating shell in powder-coated stainless steel, upholstered with extra-wide braiding. The material for the braiding is genuinely innovative: foam mousse is encased in a seamless sheath of knitted textile and polyolefine making it weather-resistant, but also surprisingly soft to the touch.
